INTRODUCTION TO SCHOLARS INTERNATIONAL GROUP

Our Legacy

For almost 50 years, Scholars International Group (SIG) has been committed to delivering excellence in education. Beginning with the founding of Dubai Scholars in 1976, SIG has grown to include a network of schools that uphold a strong academic ethos and a focus on developing future-ready leaders. Today, Dubai Scholars and Scholars International Academy continue this legacy, combining strong academic foundations with a focus on developing confident, capable and future-ready students. With The Scholars School opening in August 2027, SIG continues to build on its heritage while creating new opportunities for families across the UAE.

Our Philosophy

At Scholars International Group, we believe that schools should be places where children flourish—academically, socially, and emotionally. Our philosophy centres on empowering educators to spark lifelong curiosity, a passion for learning, and the confidence to excel. In every classroom, student interests are expanded, talents are nurtured, and intellectual growth is encouraged.

We value the trust families place in our schools and remain committed to providing each child with an education of the highest standard.

Our Success

Success is often reflected in the paths our students pursue, and by that measure, our graduates have truly excelled. They have earned places at some of the world's most prestigious institutions, a testament to their hard work and the quality of education they have received at our schools.

Our alumni have gone on to study at leading universities such as Boston University, Brown University, Columbia University, Dartmouth College, Georgetown University, Imperial College London, Johns Hopkins University, the London School of Economics, McGill University, New York University, the University of Cambridge, the University of Oxford, the Wharton School of the University of Pennsylvania, and the University of Pennsylvania.

WELCOME TO DUBAI SCHOLARS

Dear Dubai Scholars Families,

I would like to wish you and your children a warm welcome to Dubai Scholars.

Dubai Scholars is close to my heart and started with only one goal in mind.
How can we do things differently, where we prepare the children for the future?

At Dubai Scholars:

Your child will take a risk

Your child will have a voice

Your child will learn to make choices

Your child will make an impact

Your child will value gratitude

Your child will thrive in the learning environment at Dubai Scholars.

Dubai Scholars:

You are in a place of authenticity.

You will be heard here.

You will know that we will always do our best.

We welcome you home, as that's where the heart is...

We at Dubai Scholars epitomise all the above, starting with myself, and we want the same for every child — to learn to make a difference, to go above and beyond, and to be empathetic and kind.

We look forward to having you here as part of our family — to learn and grow together, to laugh together, and to make wonderful memories together...

Aparna Verma

CEO, SCHOLARS INTERNATIONAL GROUP

Ad Astra Per Aspera

As Dubai Scholars Private School celebrates its Golden Jubilee in the academic year 2026–27, we reflect with pride on fifty years of educational excellence, growth, and service to the UAE community.

Founded in 1976, Dubai Scholars began with a simple yet enduring mission: to provide an exceptional educational experience to every student entrusted to our care. From our humble beginnings in a villa in Deira, the school steadily expanded alongside Dubai's growing population, eventually moving to our purpose-built campus and becoming one of the UAE's most respected educational institutions.

Over five decades, Dubai Scholars has continued to evolve with the changing landscape of education. We have embraced innovation, strengthened our teaching and learning practices, and invested in the continued professional development of our educators, ensuring that our students are prepared to thrive in a changing world.

While much has changed, the principles at the heart of Dubai Scholars have remained constant. Respect, integrity, intellectual curiosity, responsibility, and a commitment to excellence continue to shape our community and inspire generations of students to achieve their ambitions.

As we celebrate this significant milestone, we honour the students, parents, staff, alumni, and wider community who have been part of our story. We look back with gratitude, celebrate with pride, and look ahead with confidence to the next chapter of the Dubai Scholars journey.

Ad Astra Per Aspera — Through Hardship to the Stars.

A MESSAGE FROM THE HEAD OF SCHOOL

Dear Dubai Scholars Families,

As we open the doors to a truly historic academic year, it is with immense pride, gratitude, and anticipation that I welcome you to Dubai Scholars' 50th Year of Excellence. Fifty years is far more than a milestone—it is a legacy shaped by trust, purpose, resilience, and the collective aspirations of generations of students, families, educators, and alumni who have contributed to the extraordinary community we proudly call Dubai Scholars.

While we celebrate our rich heritage, our greatest responsibility is to prepare our children for a future that is changing faster than ever before. The world they will enter demands far more than academic success. It calls for critical thinkers, compassionate leaders, ethical decision-makers, confident communicators, creative innovators, and resilient young people who can embrace uncertainty with confidence and purpose.

At Dubai Scholars, we believe education reaches far beyond the classroom. Academic excellence remains at our core, but equally important is the development of the whole child through sport, performing arts, entrepreneurship, leadership, innovation, technology, and service. Every experience is intentionally designed to help our learners discover not only what they can accomplish, but the values and character that will define who they become.

As technology continues to reshape our lives, we are equally committed to nurturing emotional wellbeing, mental health, meaningful relationships, and a healthy balance between the digital and human worlds. Preparing children for life is every bit as important as preparing them for examinations.

This journey is one we share together. Parenting in today's world is both a privilege and one of life's greatest responsibilities. In an age of constant distractions, the most valuable gifts we can offer our children are our time, our presence, our encouragement, and our partnership. Together, let us redefine success—not solely through academic outcomes, but through kindness, integrity, curiosity, resilience, humility, and purpose.

As your Head of School, together with our Senior Leadership Team, Middle Leaders, teachers, and support staff, I reaffirm our shared commitment to every family. We will continue to reflect, learn, collaborate, and refine our practice so that every child entrusted to our care experiences the highest quality education we can collectively provide. Inspired by our 50-year legacy and driven by a culture of continuous improvement, we will strive each day to create a school where every learner feels valued, challenged, supported, and empowered to flourish.

As we celebrate this Golden Jubilee year, I warmly invite every family to become an active part of our journey. Whether through volunteering, sharing your expertise, participating in school initiatives, or celebrating our milestones, your involvement enriches our community and strengthens the legacy we continue to build together. On behalf of our entire staff, thank you for the trust you place in us each day. It is a privilege to partner with you in shaping the lives and futures of your children.

Together, let us continue Nurturing Minds. Sustaining Hearts.

Sapna Changrani

HEAD OF SCHOOL

Dear DS Community,

It is a real pleasure to welcome you to the 2026–27 academic year. I am delighted to be working alongside the DS community as a Teaching and Learning Group Lead and look forward to getting to know our pupils, families and staff.

A new school year brings new opportunities to build strong relationships, inspire curiosity, and help every child grow in confidence. I believe all children can succeed when they feel known, valued, and supported, and when they are given the right balance of challenge, encouragement and care.

Excellent teaching has the power to transform a child's experience of school. It opens doors, raises aspirations, and helps every learner recognise what they are capable of achieving.

This year, I look forward to working closely with the talented team at DS to strengthen teaching and learning, share effective practice and create purposeful learning experiences for all. Most importantly, we will keep our pupils at the heart of every decision we make, ensuring that each child has the opportunity to grow, contribute, and thrive.

I am excited about the year ahead and wish everyone at DS a happy and successful 2026–27.

Scott Wilkinson

GROUP LEAD FOR TEACHING AND LEARNING
SCHOLARS INTERNATIONAL GROUP

Dear Parents,

It is my absolute pleasure to welcome you and your family to our vibrant school community. As the Group Director of Academic Improvement for Scholars International Group, my role is to work closely alongside the exceptional leadership team here at Dubai Scholars to ensure that the highest standards of care and education are consistently provided throughout the school.

By choosing Dubai Scholars, you are not just joining another school; you are becoming an integral part of the much wider Scholars International Group (SIG) family. For 50 years, SIG has been dedicated to educating learners across the UAE, diligently supporting generations of learners in achieving their full potential. At Dubai Scholars, we are deeply passionate about delivering high-quality, innovative education that nurtures all areas of your child's development.

Our goal is to create diverse opportunities that empower every learner to discover and excel in their unique interests.

The teaching team at Dubai Scholars is comprised of passionate, highly skilled and experienced educators who are committed to doing their very best for your child every single day. They are guided by an amazing leadership team who are always available to support each family throughout their educational journey.

We consider it a privilege to partner with you in your child's growth. We look forward to working with you for many years to come and are always on hand to support you whenever needed.

Warmest regards,

Kyle Knott

GROUP DIRECTOR OF ACADEMIC IMPROVEMENT
SCHOLARS INTERNATIONAL GROUP

Our Core Values

Core Values are fundamental beliefs shared and lived by every member of our school.

We believe that students thrive when personal responsibility, self-worth, trust, honesty, and mutual respect define the school culture.

Our core values refer to the **Five Character Traits**:

Integrity

- Stand up for what we believe
- Are honest with ourselves and others
- Demonstrate fairness in our judgments and actions
- Fulfill commitments and promises

Compassion

- Promote a peaceful, caring and safe community
- Understand the circumstances and viewpoints of others
- Develop the capacity to forgive others and ourselves

Empathy

- Understand and share another person's experiences, thoughts and emotions

Respect

- Believe in the inherent dignity of all people
- Value and appreciate diversity
- Believe in mutual respect for our parents, teachers, support staff and students as one community

Accountability and Responsibility

- Take ownership of our behaviour as individuals
- Encourage independent learning and empower students to embrace responsibility

IMPORTANT INFORMATION

To better address your child's needs, please share with us as much relevant information as you can. Make sure to take the time to fill out the following forms:

[Medical Information](#)

[Student Medical Consent Form](#)

SCHOOL UNIFORM

Students wearing uniform reflect the values of unity, discipline, and identity of the School. We kindly remind all students and parents that strict adherence to the school's uniform policy is mandatory. Uniforms and accessories are available at the Resources Department.

Students are expected to be in full and proper attire at all times. Non-compliance may result in students being asked to return only when dressed appropriately, as determined by the Senior Leadership Team (SLT) and school administration.

For detailed guidance, please refer to the attached link to view the Digital Uniform Guide and FAQs on Books and Uniforms.

We appreciate your cooperation in helping maintain the standards and spirit of our school community.

[Uniform Policy](#)

IMPORTANT INFORMATION

STUDENT ID CARDS & PARENT/GUARDIAN ID CARDS

To support the school's commitment to safeguarding, campus security, and the efficient delivery of school services, all students and parents/guardians are required to hold valid School ID Cards for each academic year.

Student ID Card

A Student ID Card is mandatory for every student and must be purchased as part of the annual books and resources order.

The Student ID Card is required for:

- Student identification and safeguarding.
- Access to school and RTA transportation (where applicable).
- Participation in educational visits, competitions, and other school activities.
- Access to the school's cashless canteen.

The school operates a fully cashless canteen. Students must use their Student ID Card to purchase food and beverages. Cards can be topped up at the School Cash Counter or online via the Zenda App (minimum recharge: AED 50).

To enable timely production of the ID card, parents must upload a recent passport-style photograph through the Orison Parent Portal after completing their purchase.

For further information, please refer to the Student ID Card Policy.

[Photo Upload Link](#)

[Student ID Card Policy](#)

Parent/Guardian ID Card

A Parent/Guardian ID Card is mandatory and forms an essential part of the school's safeguarding and access control procedures.

The card must be presented for:

- Entry to the school premises.
- Student collection and pick-up.
- Administrative enquiries.
- Parent-teacher meetings and appointments.
- Attendance at school events and performances.
- Collection of books, uniforms, certificates, and other school-issued items.

Parent/Guardian ID Cards are valid for one academic year and must be renewed annually. Cards should be purchased with the annual books, resources, and uniform order and will be issued during the scheduled distribution period.

For full details, please refer to the Parent/Guardian ID Card Policy.

[Parent/Guardian ID Card Policy](#)

Safeguarding

The Student ID Card and Parent/Guardian ID Card are integral to the school's safeguarding framework, enabling us to verify identities, strengthen campus security, ensure the safe collection of students, and maintain accurate records for school services and activities.

All parents and guardians are expected to familiarise themselves with and comply with the Student ID Card Policy and Parent/Guardian ID Card Policy before the commencement of each academic year.

SCHOOL CAFE & MEAL PLAN

We are excited to offer tailored meal plans crafted to support your child's growth and development, with options designed to meet the nutritional needs of each age group. Payments can be made easily via the Zenda app.

To maximize your child's time for learning and social activities, meals will be delivered directly to their classroom, ensuring they don't need to queue at the canteen. For inquiries, please contact cafe@dubaischolars.com

ALLERGIES!

Please inform us right away if your child has any known allergies.

SCHOOL BAGS AND PERSONAL BELONGINGS

To ensure the safety and convenience of our learners, only standard rucksacks or backpacks are permitted. Trolley bags are not permitted, as they can pose a trip hazard and are unnecessary given the limited number of books learners need to carry. If brought to school, learners will be asked to carry them as rucksacks.

Please ensure school bags fit within our rack dimensions of 35 cm in height and 16 cm in width. Personal items, such as toys, should not be brought to school, and learners should bring a small lunch bag that fits comfortably within the designated racks.

ATTENDANCE

To ensure student success and meet our KHDA-mandated attendance goal of over 96%, promptly report absences to the Class Teacher and Phase Head. Schedule doctor or other appointments outside school hours whenever possible. For early departures, notify the Class Teacher, Phase Head, and Reception in advance, securing the Phase Head's approval and by providing any required documentation.

As school starts at 7:10 am, punctuality is essential. Students arriving after 7:10 am must collect a late slip from Reception to avoid receiving an auto-generated absence notification email.

If your child will be absent for three days or more, please provide a medical certificate to the class teacher.

[Attendance Policy](#)

MOBILE PHONES & IT DEVICES

Personal use of iPads, tablets, and all such digital equipment, including games, is not allowed during the school day, as it is impossible to monitor their appropriate use.

Students using electronic devices outside of the educational purpose of the classroom (including those brought in for the BYOD initiative) will have the item confiscated and it shall be returned only after two days.

[DS E- Safety Policy](#)

PARENT PORTAL

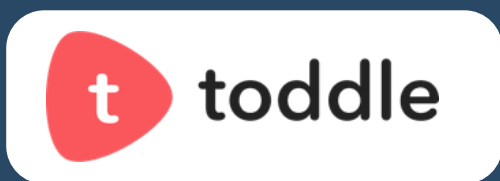

The parent portal is an essential tool for parents to stay connected with their child's education, offering access to student profiles, academic reports, and performance indicators. It also allows parents to manage school fees and payment history.

To access the portal, parents need to use this **Parent Portal Login** and the login credentials are the GR No and the DOB of the student (Eg:120912). Regularly checking the portal and updating contact information are recommended for maximizing its benefits. For support, contact the school's IT or administrative office.

SCHOOL MEDICAL DEPARTMENT

Health records of all students are maintained and kept in the School Clinic. Additionally, the school clinic provides vaccinations as per the DHA schedule. The clinic staff will communicate vaccination requirements to parents as needed. It is mandatory for all parents to email a soft copy of their child/children's vaccination record to health@dubaischolars.com at the time of admission. Health education will be provided by the medical team to all students based on topics advised by DHA.

PARENT COMMUNICATION

Toddle is the main platform for day-to-day communication between SIA and families. Through Toddle, families can access:

- Learning updates and portfolios
- Progress reports
- Attendance information
- School policies and important notices
- Events and the school calendar
- Communication with teachers
- School timetable
- Pastoral care

All parents are required to download the Toddle App on their devices, as it serves as the primary platform for all school-related communication. Important updates, circulars, alerts and announcements will be shared exclusively through the app.

Staying connected via Toddle ensures that parents receive timely and accurate information regarding school activities and important notices. Having this information in one place makes it easier for families to stay connected with their learner's school experience.

Download Toddle from the App Store or Google Play, or visit [Toddleapp.com/uae](https://toddleapp.com/uae) to learn more. [LEARN MORE ABOUT TODDLE](#)

LOST & FOUND

All lost items found on school premises will be placed in the designated Lost & Found Area. Learners are encouraged to check this area independently if they have misplaced any belongings.

To help ensure lost items can be returned to their owners, please ensure that all personal belongings, including lunch boxes, pencil cases, uniforms, ties and hats, are clearly labelled with the learner's name.

The school cannot accept responsibility for any personal belongings or money that are lost or misplaced on the premises.
